Donation: \$20 per term per child for Terms 2, 3 and 4

RE digital resource Donation: \$6 per child annually

Our Lady of the Rosary School

PERSONAL EMERGENCY FOOD CONTAINER

We are asking parents of children at OLRs to provide an individual emergency food box for your child for 2019. Please use an ice-cream container, write your child's name on the lid and indicate if there is medication within the container. **We will return the previous years' food box to each child as they bring in their new one for the beginning of 2019. Leavers of 2018 will receive their food boxes to bring home on the last day of term 4.**

While we expect that in most situations children will be able to be collected from school within two hours of an emergency event, provision should be made for a worst-case scenario in which your child cannot be collected from school for a day or two. With tinned food and individually-packaged snack bars, this container can hold sufficient food to keep them both nourished and comforted during this time. We will store these ice-cream containers at OLR School for the beginning of 2019 as the Church will be undergoing strengthening work in January/February next year.

In situations of high-stress proper nourishment can make all the difference to people's resilience. What you provide for your child can greatly add to their ability to cope until you are able to reach them.

Suggestions for your container:

- tins of spaghetti or baked beans – pull tabs only (children need to eat these cold)
- tins of rice pudding – pull tabs only
- tins of fruit – pull tabs only
- tins of flavoured tuna, chicken, or other meat – pull tabs only
- Beef jerky
- Muesli bars
- Chocolate
- Dried fruit
- Dry cereal
- Cheese cracker snack packs
- Individually wrapped cake/biscuit snacks (wheelies, muffin bakes etc.)
- Hard, wrapped sweets, eg: barley sugars, lollipops

Note:

- Non-perishable items ONLY.
- Check best-before dates – expiry should be the end of the year.
- Check tins have pull-tab opening
- Check that your child likes and will eat what you provide (even if it's cold!)
- Put in a spoon.

Medication: If your child requires regular medication including inhalers, please supply within the ice-cream container and note on the lid that medication is in the container.

Please note that no situation can ever be completely planned for, and in the case of one class losing their supply, food will need to be shared from other classes. Similarly, it is expected that many children would be retrieved in the first few hours of an emergency. The contents of their food containers would then be redistributed amongst those having to remain for a longer period of time.

We will return the previous years' food box to each child as they bring in their new one for the beginning of 2019. Leavers of 2018 will receive their food boxes to bring home on the last day of term.

Please provide the ice-cream container of emergency food for your child to the school office.

Thank you for your support.
